Dear House Committee on Great Lakes and Environment, Attn:
Cath Petroskey,

As a local business owners in the Paradise, Michigan area, I am writing in support of House Bills 4677 & 4678.

Having our State Parks accessible to all Michigan residents will encourage tourism throughout our State. Tahquamenon Falls State Park is a huge draw to our local community and I feel that passing of these Bills will increase tourism and in turn bring commerce to our area. Thank you for your consideration.
